

A full-page background image with a warm, orange-red color cast. It depicts a fisherman on the deck of a boat. The fisherman, seen from the side, has a grey beard and is wearing a dark cap and a light-colored jacket. He is holding a wooden crate filled with fish. The deck is cluttered with various pieces of fishing equipment, including ropes, pulleys, and a large lifebuoy with a rope coiled around it. In the background, another boat is visible in the water. The overall scene conveys a sense of maritime labor.
